RE: **STAKEHOLDER INTERVIEWS**  
I-376 Parkway East Corridor Transportation Network Project  
Allegheny County, PA

Dear «Title» «Last»:

The Pennsylvania Department of Transportation (PENNDOT) Engineering District 11, in cooperation with the Federal Highway Administration (FHWA), is pleased to announce the kick-off of the public outreach efforts for the I-376 Parkway East Corridor Transportation Network Project. As a leader in your organization and/or potential stakeholder, we invite you to participate in one of the upcoming interview sessions.

We are contacting approximately 30 stakeholders, including yourself, representing neighborhood groups, municipal government, transportation management associations, transportation planners, economic development groups, multimodal representatives, and other interest groups to solicit their participation in the interview sessions. The purpose of the interviews is to:

- Identify the role the I-376 corridor and other area roadways serve your organization/ community,
- Discuss the existing condition and function of the I-376 corridor and other area roadways, and
- Locate potential improvement areas.

In order to interview as many stakeholders as we can and make it as convenient as possible, we are offering several available days and locations and each interview will be 30 minutes. Below is a summary of the possible dates and locations:

- **December 9, 2013 – 9 A.M. to 4 P.M.**  
Southwestern Pennsylvania Commission, Two Chatham Center, 4<sup>th</sup> Floor  
North Meeting Room 112 Washington Place, Pittsburgh, PA 15219
- **December 10, 2013 – 8:30 A.M. to 11 A.M.**  
Swissvale Fire Department, 7400 Irvine Street, Swissvale, PA 15218

- **December 16, 2013 – 1 P.M. to 8 P.M.**  
Churchill Borough Building, 2300 William Penn Highway, Pittsburgh, PA 15235
- **December 17, 2013 – 9 A.M. to 4 P.M.**  
Parsons Brinckerhoff, Four Gateway Center 13<sup>th</sup> Floor, Pittsburgh, PA 15222
- **December 19, 2013 – 1 P.M. to 8 P.M.**  
Swissvale Fire Department, 7400 Irvine Street, Swissvale, PA 15218

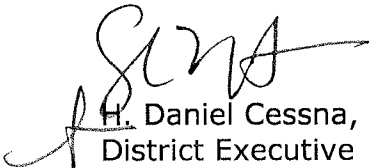

To schedule an interview, you can utilize our online scheduling tool (Doodle Poll), <http://doodle.com/mk6shnq2zd29yfse>, or contact Jennifer Threats by phone at (412) 922-6880, or e-mail, [ParkwayEast@mtmail.biz](mailto:ParkwayEast@mtmail.biz). Interviews should be scheduled by December 6, 2013.

In preparation for the interview, we have enclosed an interview questionnaire, which will serve as a guide for the discussion. To ensure that the interviews stay on schedule, please review the questionnaire prior to the interview and solicit any feedback you may need from others in your organization. If you or another representative are not able to attend the interview, you may complete and mail the enclosed interview form to the address provided on the form or complete and submit the form online at <http://websites.mccormicktaylor.com/I376/interviewform.pdf>.

The overall goal of the Project is to perform a comprehensive transportation evaluation of the I-376, Parkway East corridor and to develop and design strategies to improve safety and mobility on the corridor transportation network. The interviews, additional public outreach and technical data collection studies are the first steps in the project development process and will help to establish the basis for any possible future improvement strategies.

We encourage your participation in the Stakeholder Interviews and look forward to working together with you to create a better I-376 Parkway East Corridor Transportation Network. Should you have any project related questions, please do not hesitate to contact our Project Manager Victor P. DeFazio, P.E., at (412) 429-4859 or me at (412) 429-5001.

Sincerely yours,  
**PENNDOT District 11**
